To whom it may concern

This letter is on behalf of IGI Food Consulting. We have worked with IGI Food Consulting over past few years on a number of projects.

Projects included especially: FSMP's and food supplements notification preparation, packaging materials compliance with actual national and european regulations.

We have attended also for several trainings led by IGI Food Consulting in the area of food law.

In all projects and trainings we found IGI Food Consulting as a highly professional and extremely satisfactory. Based on our experiance with this company we can recommend IGI Food services with no hesitation.

Sincerely,
